Calling for report from the Ordnance officers of this Command of the best Method of putting up the Elongated cartridges. After a careful personal observation and having consulted the most intelligent field and company officers in this Division, I have the honor to report that in the latter supposes there is great mistrust of cartridges where the enfield method is used of pinching the paper into the ball, especially where the paper is of an indifferent quality (as it frequently is). I have noticed when inspecting the cartridge Boxes of the men that there were a great many Ball taken from the powder and the powder wasted in the boxes: and in the same box I have found cartridges put up either in the Enfield or [redacted] Method perfectly sound. I find also that the Machine used in pinching the paper in the ball frequently weakens the paper so that upon the least handling or rough usage of the cartridge the paper is liable to tear from the ball. Either the Enfield or U. S. Method is to be preferable. My Experience with the Enfield Method will not justify me in recommending it. But I think that any cartridge in which the powder is protected

Head Quarters 2nd Division

January 16th 1862.

To the Hon. J. P. Benjamin
Secretary of War
Sir

The duties pertaining to the Chief Commissary of My Command - 2nd Division Army of the Peninsula require the undivided attention which should be given to them - for otherwise the troops will not be properly provided for, and the Government will suffer, for pecuniary loss & in its other interests

I have at present on that duty Captain George W. Clemm Commissary of the 10th Va Regiment, who is doing both duties, that of Regimental Commissary & Depot Commissary - Captain C tells me that his duties of Depot Commissary alone, for this Division scattered as it is over fifty Square Miles, are too much for him to attend to, as he is a very active and intelligent officer

I therefore request that I be allowed a Commissary for My Command, and take the liberty to recommend for that position Mr John F Edwards of Kentucky. On a previous occasion I have solicited the appointment for him, as I now beg leave to renew it

I have mentioned that it is expected the Brigade Quartermaster should perform the duties of Brigade Commissary - I beg leave to state that such is an impossibility, unless the business of both Departments is to be left in the hands of agents & contractors

. In every Regiment in the Peninsula there is besides a Commissary and a Quartermaster two distinct offices. It is not reasonable that unto a command of seven or two regiments the offices of Quartermaster & Commissary, to whom the respective Departments Officers look for supplies, should also be distinct

I think that the Office of Brigade Commissary is absolutely essential for my command. distinct from that of Brigade Quartermaster otherwise I should not have asked for either.

Very Respectfully

General.

I have the honor to inform you that the Rolls and returns for pay of this Brigade for September, October & November 1863 are all ready for signature, I shall make out the rolls for the months of December & January as soon as possible, but am unable to do so at present, for the reason that I have not received the Muster Rolls from the Regimental Commanders. I have called on the Regimental Commanders for the Muster Rolls, the reason that I have not received them, and I have also written to the Commissary of Musters, urging him to send them to me. During the months of August, September & October I purchased Beef Cattle for the Brigade and performed other duties. On the 1st of March I was placed in charge of the matter of Sales to Officers and to pay Commutation. Hence my reason for not sending monthly returns. By 3rd & 11th July for 63" I will forward one or two days.

I have now to ask your instructions in reference to Sales to Officers. It is generally thought in the Army that the present Congress will pass an act giving rations to Officers, shall I continue to require cash or the deposite of a Blank Pay Roll, as I have done heretofore, or in anticipation of this act, would you advise otherwise. Hoping to hear from you at an early day and that my Statement will give satisfaction.

Col L. B. Northrop, Comsy Gen
Col;

Previous to the publication of the order of Secty of War, requiring Brig. Commanders to nominate one of their Regimental Commissaries to be assigned to duty with the Brig. Q.M., I was called on, thro' Maj Genl D.H. Hill Comdg Light Division, to recommend one for the same purpose. I proposed Capt Jno. G. Edwards A.C.S., 6th Regt of Rifles. Gen McGowan was absent at the time the order was published, and made no nomination, but since recrossing the Potomac and since the reception of the order requiring him to report in Richmond to you for assignment to duty, Capt Edwards has received a letter from him approving of the recommendation made by me, which will be presented to you. Capt. Edwards is an energetic, faithful and efficient Officer and made himself extremely useful during the recent campaign in Maryland and Pennsylvania. He is desirous of remaining with the Brig. is acceptable to its officers and I earnestly request that he may be assigned to duty with me.

I have the honor to be, Col.

Very Respectfully
Your obedient Servant
H.D. Maxcy Maj & A.A.G.
McGowan's Brig.

For my part, (illegible) I can recommend Capt Edwards as a very capable assistant quartermaster and would be glad to have him assigned to duty with this Brigade

Lt Col. H. LeRoy Brown,

I respectfully call your attention to the following Statement in regard to Cartridge Box Belts under to supply the Army:

Number of Cartridge Box Belts for which requisitions have been made from Janry 31st 1863 to Febry 1st 1864 ... 106,000

Total number issued during the same period ... 70,249

Number on hand Feby 1st 1863 ... 3,270

Number received from Contractors and other sources from Janry 31st 1863 to Feb. 1st 1864 ... 13,644

Number rec'd from Maj. W. S. Downer during same period ... 53,335

70,249

Deficit ... 35,751

From the above Statement you will perceive that about 50 per cent. of the number actually required for the use of the Army were received from Maj. Downer. We are now in arrears about 36,000. The proposed increase in the Army will in all probability cause a corresponding increase of the demand for accoutrements over that of last year. Seventy thousand Cart. Box Belts will not in my opinion be too great an estimate for the ensuing campaign (as large deficiencies have now to be supplied) and I therefore respectfully suggest that contracts be entered into for at least Thirty Thousand C.B. Belts - which number will certainly be required in addition to what may be expected from Maj. Downer.

Sir

The time having arrived, when every one who truly sympathizes with the people of South Carolina in their effort to establish their independence of their brethren of persons should manifest their sincerity by acts, and approving heartily as I do the position she has assumed I respectfully tender you their Governor my services in any capacity you may choose to assign me either to serve here, at the North, or in the field.

This offer is made in the utmost sincerity and I am only one of the many thousands who are willing to fly to the aid of a people whose stout hearts and strong arms will soon be called into active service to defend their homes and establish their rights.

That they will be so called scarcely admits of a doubt in my mind, for if the necessity for so doing does not arise during the Administration of Mr. Buchanan upon the flimsy pretext on his part of executing the laws according to the forms of the Constitution it certainly will occur as soon as Mr. Lincoln is inaugurated, when the impossibility

conflict of interest will seriously commence when the North will endeavor to force the South to continue a Union in which they are not only denied Equality but made to pay tribute. You will note this. North know that when the South establishes her commercial and political independence new days of vaunted prosperity and power will be numbered, already does their troubled vision see the broad Atlantic whitened with the sails of ships bearing the flags of all Nations bound for the free Ports of Charleston and her people selling their products at the highest prices and buying their necessaries at the Cheapest rates free from their commissions.

Upon it the North will not give up her rich tributaries in the South without a struggle, let South Carolina act — thousands of her legitimate Sisters are only waiting for the Signal to unite with her in a common destiny — again I tender my aid feeble though it may be.

I have the honor to be

I take the liberty of ~~bringing the enumeration~~ and asking your favorable consideration of the claims of Jas H. A. Edwards to an appointment in the Ord: Deptmt:

I am informed that he passed a very creditable examination before the board for the examination of candidates and I can speak from a personal knowledge of his constant attention to business and his experience in the Ordnance business. I have been necessarily thrown in contact with him almost daily for

two years past, and have always found attentive, affable, and intelligent in the transaction of business.

It would give me much pleasure, (and I think would be advantageous to the service) to ~~give him~~ know of his appointment.

Rec'd. 3/16

Encls. 2.16

Camp near Chicago
8 Dec. 1861

Dear Edward,

Your letter of
why reached me yesterday -
I have sent back the
ation & the muster roll
which you must fill up,
he has made application
since for you, but the
Gazes says that we
friends abroad, in
way of your obtaining
Government appointment
i the first of the year

DIVISION,

Richmond Va. 11 Mar. 64

I have long known Mr. H. A. Edwards and cheerfully endorse all that is said of him by Major Jones

W. W. Taylor
Major V.

Colonel

Respectfully to be assigned to duty as an Ordnance Officer. Passed my examination before the first board convened at Richmond and have since applied for by Lt. Col. Gilbreath

I am told that the cause of my not receiving my appointment is that I am supposed to have applied for examination as a Virginian. This is a mistake — I applied from Missouri and the only persons who endorsed my application were Virginians. Gen. Price the most distinguished of my Brigade, Col. Sanders W. Bell and other members of Congress from my State. This fact can be easily verified by reference to my application which is on file. I was in the Indian Service of the U.S. in Utah Territory when the War broke out resigned my place and on my return to Missouri I enlisted in the State Guard and served until Gen. Ramsey's relief & was ordered to Richmond shortly after my examination I was told that I was entered on the list as a Virginian instead of a Missourian. As I am a Missourian I asked this corrected and applied to Lt. Col. McLeod Brown. He directed the lawyer clerk (a Jew by the name of Hecht) who had made out the list) to make the correction. This correction the lawyer told me he had made.

Very respectfully
H. C. W. Edwards.

Clerk

Richmond

December 1861

I respectfully request that Gorgas be examined in this case and see to it that Mr Edwards is appointed if he qualifies, it is unfortunate that after he was examined, and it is known that he was passed by Surgeon [illegible] at this must have resulted by putting him to the expense of the journey from [illegible] to Richmond the statement of Edwards is substantially correct, he is a brave gallant young man and merits the favorable consideration of the Government, and I feel grieved that he has not been appointed

Respectfully
John B Clark

Col From his services under me in Missouri as well as his known good character for truth I have no doubt of his domicile being in Missouri at the time he entered the service as stated by himself in the foregoing statement

John B Clark

Many of the Bags were in bad repair when I received them in Selma, and were evidently opened, I however shipped them to Demopolis, at which place Nine (9) Bags were forcibly taken by a Mr Regiment before the guard arrived,
The A R Agent at Mc Dowels Landing informed me that Several Bags was broken open at that place, by the Negros employed by the A R Company at that place, He having caught them in the act of taking the meat, One of the Bags of the lot of one hundred & four was broken open by the Teamsters at Selma between the Warehouse & the R R Depot, the Bill called for 38 Hams & upon examination only found 19 — There was also one Bag missing of the last lot which I shipped from Selma, the R R Company receipted for one hundred & four Bags and only delivered one hundred & three.

I make the following Statement in regard to a lot of Bacon Invoiced to you which passed through this place on the 25th Instinto - I passed the landing where the Bacon was, about four o'clock in the morning, the Soldiers of Brig Gen Cockrell's Brigade - had then emptied four Boxes - and were taking more, I called upon them to stop, and made them bring back a portion of which they had already taken, I then went to the Commandant of the Post - and informed him of the facts, and to have a guard sent there immediately, and told him where he could obtain most of the Bacon Stolen, at least where the Soldiers had hid it - nothing was done in the matter until next morning, when it was discovered that during the night they (the Soldiers) had emptied eight Boxes - When a guard was placed over the balance & the camps searched by a guard of four or five Men - they recovered only about three hundred pounds, which was forwarded with the Balance - It was impossible to prevent the loss, owing to not having proper support from the Military authorities, - Hoping this Statement will aid you in recovering your loss -

When in Selma Ala in august last I saw a large lot of Bacon on the pavement in front of the Quarter Masters office or Store, the Boxes were marked for Morton Miss. this attracted my attention because the Meat was for the Army of this Department, and because it was then exposed to the rays of the Sun on an exceedingly hot day, where it remained unmoved all that day.- Which was Sunday- how long it had been there or when it was moved I know not, but I am very certain that the Meat must have lost heavily in weight & no doubt injured in quality. The Boxes were then foul and the Meat thick & of prime quality- on a visit to your Warehouse here I saw a number of Boxes which I believe to be of the same lot, which on your request I would state I found to be only partially filled, the Boxes in bad order & the Meat had all the appearance of "loss in weight" from solar heat.

Senator R W Johnson

Dr Sir Permit me to recommend to your favorable notice the claims of my friend Capt W J Edwards to be promoted to the rank of Major.

Capt Edwards entered the service in July 1861 as 1st Sergeant of Co H of McCulloch's Regiment, & when Col McCulloch was promoted Capt Edwards was appointed Ass't Adj't Gen which place he filled until the death of Col McCulloch - he afterwards served on the staff of Gen Churchill as Inspector Gen & from Nov 1862 to Aug 1863 as Commissary of this Regiment & since that time as Depot Commissary at Meridian Miss. in all these capacities he has so conducted himself as to win the confidence & esteem of those with whom he serves. Capt Harper was acquainted with him before the war & from his known worth & business qualifications & position in his Regimental Commissary & I now take pleasure in recommending the Capt for promotion to the rank of Major.

I hope you will present the claims of the Capt to the War Dept & if possible secure his promotion - in so doing you will serve one of the best citizens of our State & promote a worthy & deserving officer - & confer a favor upon

Your friend

Colonel,

I have the honor to state that I am informed by Maj Walker, Chief of Alabama, that Capt W. J. Edwards A C.S. will be ordered by the Secretary of War to report to him.

This officer was ordered to report to me by the Sec of War on the 20th Feb 1863 in Special Orders No 249, A & I. Gen's office. He has been performing the duties of Depot Commissary at this post and reporting to Maj W. E. Moore, Army Chief Subsistence.

At that date he could not be relieved from duty without manifest inconvenience to the service, and I consented to his retention by Maj Moore until satisfied that I required his services. On the 16th inst I ordered Capt Edwards to close up his affairs at Demopolis, transfer his stores on hand, and report to me. I designated him for the position of Depot Commissary here, for which I have no other officer to spare. He is an efficient officer and his services are much needed. I have respectfully to request therefore that he may be retained on duty under me.

Major

In obedience to your request I have the honor to make the following statement. On or about the 15th of Nov 1862 Lt Col A M Harper Commanding 1st Regiment Ark Mounted Rifleman made application to the Secretary of War for my appointment as Capt & C.S. of his regiment— Nothing was heard from the Department in reference to the Matter, and about the 15th January 1863 in Company with Lt Col Harper I went to Richmond to see if I could ascertain anything in reference to the Matter We called at the Adjutant and Inspector Genl office and made enquiry & found that was done informally in my bond. Maj Palfrey Act Adj Gen. requested Col Harper to make a statement in writing which was done & left in the Office. Maj Palfrey stated that the explanation was satisfactory and that a blank bond & my appointment would be forwarded through the proper channel. After waiting a reasonable length of time, Col Harper again wrote to the department & the following was the reply with the blank bond enclosed

" Colonel,

Richmond Va March 10th 1863

Your letter of Feb 8th accounting for the absence of the former Commissary & Quarter Master is received Per transfer by Genl Churchill of Capt Latimer & Nelson

should have been communicated to this Department for ratification pursuant to Genl Orders No 8 enclosed, as it is this department is ignorant whether the transfers were intended for his Staff - or other duty, and until the object of the said transfer is known no other appointment should be made — In the present instance the Secretary of War has decided to recognize the Vacancies as legitimate, and to order the Nomination of Capts Edwards & Black — Commissions for whom can only be sent after confirmation by the Senate —

I have the honour to be

Though however I had been ordered on duty by Genl McCown comdg Division when the first application was made / on the reception of the above from the department I immediately filled the bond, and returned to Richmond, In a few days we were ordered to this department, and have not heard from the War department in referina to the matter since.

Soon after arriving in this department I was ordered to Yazoo City Miss - by Maj Johnson then Chief of Subsistence to relieve Capt Steward as Post Commissary at that place

Our forces, evacuated the place the third day after my arrival, and in obedience to previous instructions I came to this Post Was ordered immediately on my arrival by Gen Johnston to take Charge of the Depot here which place I have filled to the best of my ability since.

Hon'ble Sec.y of State Seddon.

Sec.y of War &c &c.

Sir.

The Battalion of Artillery stationed at Drewrys Bluff, would most respectfully call your attention to a few facts in regard to their application for a Post Chaplain - made some weeks ago, but which they believe has not yet been acted upon.

The Chapel has been erected entirely at their own expense, separate and apart from the other forces here. By permission of Major Drewry, it is situated on his land. Thus placing it entirely under our control.

Very much to our surprise, we learn of the appointment of the Rev.d Mr Crubber as our Chaplain to take charge of it. Against this we would most respectfully protest - as our wishes have not been consulted in the matter, decidedly preferring the Rev.d Mr Edwards, as representing the views of the Majority of professors of Religion in the Battalion, and in every respect better calculated for advancing the Cause of Religion at this Post.

We would therefore ask of you an early and favorable consideration of our application.

Most respectfully submitted.

I have a letter referred to this Office by Gen. Winder dated St. Louis, Missouri, 5th Sept. 1864 which appears that Capt. W. A. Edwards was dismissed the service by order of Gen. I have now the honor to recommend that the order of special order No 135 dated June 10 1864 as relates to Capt Edwards be revoked.

Mr James A. Eggleston, a conscript of this County "found for light duty by Medical Examining Board" — (at present acting as Tax in Kind Agent for Capt L. L. As you well know, my duties are very heavy and I have used every exertion to procure an assistant hereto fore without success.

Your prompt compliance and approval will much much oblige

Sir.

I would respectfully recommend that M. S. Peyton Eggleston be appointed as an A. C. S. He has been serving in that Dept. of the Army for the past four Months and is prepared to execute his Bond at once. Being thoroughly acquainted with the duties of the office, and an energetic, reliable business man, he would be of great service in that department, particularly as the want of Bonded Officers seriously impairs the efficiency of the Commissariat, and entails unjust responsibilities upon the few who have given Securities.
